“Habitat allowed my late husband and I to have the family stability that we both lacked growing up. During his illness it was such a relief knowing we had a safe and stable home for us and our daughter, and I love that we were able to watch and be part of its construction. My husband loved our home and now it’s like he’s always with us. Losing him unexpectedly was a devastating blow, but as we worked to pick up the pieces, we knew we never had to worry about losing our home. We knew Habitat would work with us. That is what real peace of mind feels like.”

– Ashley Barnes, Habitat homeowner
